

## SHAKE-LOOK STEEL ROOFING

Boulder Creek Exteriors specializes in high performance stone-coated steel roofing installation. Our premium roofing panels are formed from the highest quality steel and protective coatings, and are incredibly strong, light-weight and weather resistant.

Our shake-look panels give the feel of warm wooden hand-split shakes without the need for regular maintenance. These corrosion-resistant steel shingles will protect your home from fire, wind and hail for many years to come.

# NEVER REPLACE YOUR ROOF AGAIN.

If you want a roof that will stand strong for a lifetime, stone-coated steel shingles are the only way to go. Steel roofs are as strong as they are beautiful. Just check out our guarantees.

## Golf Ball Guaranteed.

Our steel shingles are warranted for hail up to 2.5 inches or we'll replace it free.

## 120 MPH Wind Warranty

Our steel shingles stand up to Mother Nature and winds up to 120 mph or we'll replace it free.

## Class A Fire Rated

Sleep tight. Steel shingles are safer than traditional shingles with a Class A fire rating.

## Weather Extremes

Steel shingles are built to handle extreme weather conditions, no matter where you live.

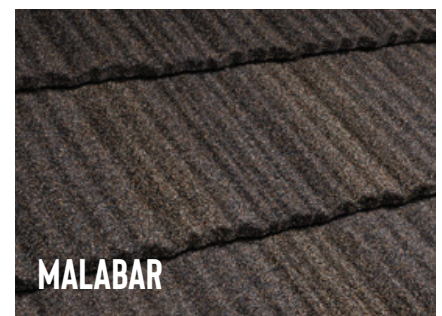

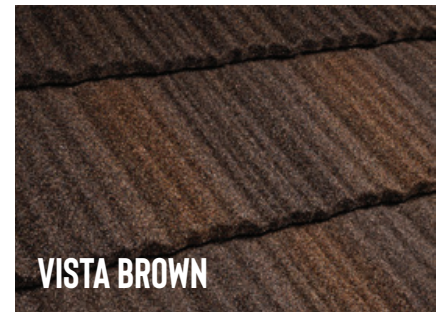

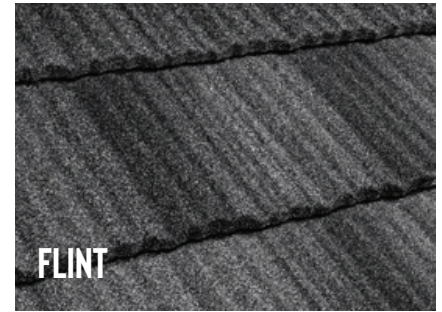

## Lifetime Labor Guarantee

Our crew is certified and experienced to do the job right — guaranteed. We use only the best products and follow proper installation methods to ensure maximum performance from your steel shingles.

## 50 Year Shingle Warranty

Regular wear and tear won't wear and tear steel shingles. Only the worst of natural disasters can bring them down — and even then steel shingles will put up a fight.

## Available color options

Our shake-style panels are available in three natural-tone colors. Custom colors may be available upon request.

## Hassle-free Installation

Panels are connected by an interlocking groove that creates a strong, weather-proof and overlapping assembly. No nails or screw heads are visible after panel is assembled.

# GO WITH THE GOOD GUYS.

Boulder Creek Exteriors was established in 2010 by owners Todd Trumm and Grant Tschetter with a mission for providing quality craftsmanship and top-of-the-line exterior remodeling solutions to clients across the region. Both partners had extensive backgrounds in construction and general contracting, but they quickly found a niche as one of the area's only certified metal roofing installation companies. Clients rave about the beauty and performance of metal shingles. Hundreds of customer referrals are a testament to Boulder Creek's solid, trustworthy reputation.
